

We, the Board of School Directors of Crawford Central School District, define success as creating a culture of educational excellence and life-long learning that encourages everyone to contribute and feel valued.

## RESPECT

Assuming the best intent, listening to understand, and managing your verbal and non-verbal reactions to ensure others feel safe and valued.

## INTEGRITY

Sharing Complete, truthful, and accurate information with the best intent.

## TEAMWORK

Acting selflessly together, utilizing individual talents and skills, and providing constructive feedback for a common cause.

## COMPASSION

Being empathetic, kind, and welcoming to diversity. Keeping an open mind, challenging our own assumptions, and valuing others' perspectives.
