Purpose

The Board recognizes its responsibility to develop and implement an assessment plan that will determine the degree to which students are achieving academic standards and provide information for improving the educational program to positively impact student achievement.[1]

Authority

The Board shall approve an assessment plan for use in district schools that is aligned with the adopted academic standards and state assessments.[2][8]

The Board reserves the right to review district assessment measures and to approve those that serve a legitimate purpose without infringing upon the personal rights of the students or parents/guardians.[1][4]

The Board shall grant requests by parents/guardians to review the state assessments at least two (2) weeks prior to their administration, during regular district office hours. The district shall ensure the security of the assessment documents in accordance with state assessment administration instructions.[5]

The Board shall grant parents/guardians the right to have their child excused from state assessments that conflict with their religious beliefs, upon receipt of a written request to the Superintendent.[5]

Delegation of Responsibility

The Superintendent or designee shall recommend methods of assessment and evaluation based on his/her professional judgment, generally accepted professional practice, and staff input.

The Superintendent or designee shall annually disseminate to parents/guardians and the public information regarding student assessment results, as required by federal and state laws and regulations.[6]

The Superintendent shall recommend improvements in the educational program, curriculum and instructional practices based upon student assessment results.

Guidelines

Parents/Guardians shall receive information regarding their child's state assessment scores and may obtain an explanation of assessment results from qualified school personnel.[\[Z\]](#)

The district shall provide assistance to students not attaining academic standards at the proficient level. The district shall inform students and parents/guardians about how to access such assistance.[\[1\]](#)[\[4\]](#)
