NEWS FROM MRS. LILLY

Sargent Trenga, the School Safety Officer, will conduct ALICE (Alert, Lockdown, Inform, Counter, Evacuate) training with our NH students during his classroom visitations this month. The students will be taught what to do if an unsafe situation occurs. Feel free to call the school office with any questions, but you may rest assured that the format of the program has been specifically designed for elementary-aged students. In addition, we plan to conduct a safety drill, as required by the state of Pennsylvania. This will replace our monthly fire drill for January.

PTO NEWS

The December P.T.O. meeting will be held on Monday, December 3rd at 6:30 pm in the library. Everyone is welcome to attend.

Thank you to everyone who organized, volunteered, participated in, or came to our Vendor Fair and Test Drive event on November 17th. It was a huge success. Thank you also to all the

volunteers who made our Holiday Shop possible once again this year.

Congratulations to Samantha Rickel, our new P.T.O. Secretary.

DELAYS & CANCELLATIONS

In the event of a school delay or cancellation, the district will activate it's Blackboard Connect Emergency Notification System. The primary phone number that you have given the district will be the number called. Make sure your phone number is correct and updated. If you need to change the number, please notify the school. You can add additional numbers through the Crawford Central website www.craw.org. Under *Parent/Student Resources*, then *Parent Resources* you will see a link to *Blackboard Connect Emergency Notification System*. ***Please note that changing or adding a number through the website will NOT change it at school. You must call the school or send a note to change your phone number.***

COUNSELOR'S CORNER

A big thank you to Mr. Matt Shreve who has been reading our morning announcements. The students in grades and 3 and 4 have been doing excelente en clase de Espanol.

Mrs. Lilly and I will be going into classrooms before Christmas to introduce the students to the a self monitoring system that uses sound and lights to help students regulate their sound level within the lunch room. We will use incentives to help the students keep their voices at a level that makes lunch enjoyable for all. Please feel free to contact me or Mrs. Lilly if you have any questions.

We are in need of any gently used winter apparel. Please feel free to send in to the nurse's office or call if you have questions. Also, for indoor recess, if you have any gently used indoor games, that children could play at indoor recess please feel free to send them in also. Games like, Uno, Skipbo, Yatazee, games that students could finish in a 20-30 minute recess. As always, please feel free to contact me here at school if you have any questions or concerns regarding your child/children.

SUPER SAVER NEWS
