- 25 4th grade trip to Allegheny
- 28 School Board Meeting 5:30 p.m. (ISC)

Movie Night Returns

Free Family Movie Night is back! Please join us on Friday, January 11th for the movie SMALLFOOT. Doors will open at 6:30 and the show will start at 7:00. Bring your pillows and blankets to spread out on the gym floor with your family. Popcorn and water will be available for purchase. Don't miss this fun, free event!

JA in a Day

Second District would like to welcome Junior Achievement the morning of January 11. Volunteers will be at our school to talk to our students about different types of careers in the community.

Junior Achievement is a program that involves volunteers from the community who come to the school to conduct lessons that teach students basic economics and how businesses and community agencies interact. Second District enjoys participating in this every year.

Fresh Fruits and Vegetables

The Fresh Fruit and Vegetable Program continues to be successful for students at Second District. In January, students will enjoy a wide variety of fresh fruits and vegetables. During the winter months, it is often difficult to find produce that is in abundance. The program has found that providing a type of fruit that is abundant during this time of year and allowing children to taste the different varieties has been very successful. In January,

students will get to snack on various kinds of oranges such as tangelos, tangerines, and blood oranges. Oranges are both in season and very popular among the students' taste buds. They are high in Vitamin C and boost your immune system which is extremely important to keep healthy during the cold winter months. Vitamin C, which is also vital for the proper function of a healthy immune system, is good for preventing colds and may be helpful in preventing recurrent ear infections. Research shows that children are less likely to get sick during the winter months if fresh fruits and vegetables are included in their daily diet. At Second District, we strive to provide these nutritious snacks for your child on a weekly basis to keep them happy and most importantly, healthy!

-Mrs. Harding

PTO

There will not be a PTO meeting in January. The next meeting is scheduled for Wednesday, February 6, 2019. We generally meet the first Wednesday of each month throughout the school year.

One goal of PTO is to support the school by holding fundraisers that help to pay for things the school district does not, with their limited budget. We fund field trips and other school events this way. The PTO also helps support the school by mobilizing volunteers at various school events. Your child and others benefit from this support.

There is no membership fee for getting involved. Babysitting might be available, but not always. We hope you will join us.
