

Memo: World Strides Discovery Program Trip to Iceland

To: Mr. Thomas Washington, Superintendent  
Members of Crawford Central School Board

From: Lynn Maloney and Grace Agnew

RE: Approval for student trip to Iceland

Mr. Washington and Board Members,

I (Lynn Maloney) have partnered with World Strides to organize a trip to Iceland from June 9-15, 2018. I did not think I needed board approval because the trip is in the summer and there was no cost to the District. After discussing the trip with Mr. Higgins this morning, I realize I was mistaken.

There are ten (10) students signed up and they have all paid the cost of their trip. The final payment was due February 19, 2018. The students can complete online coursework upon their return from Iceland to earn academic credit for the trip. The trip has a STEM focus and will focus on the unique ecology, geology, technology and culture in Iceland.

I have attached some information about World Strides and our trip to this memo. I apologize for my oversight and hope that you will approve this educational trip. More information is available at [worldstrides.com](http://worldstrides.com) if you need more information.

I (Lynn Maloney) was supposed to be the program leader and chaperone the students on this trip. I had ankle surgery in December 2017 and it did not turn out as expected. At this time, I cannot walk well enough to go on this trip. Grace Agnew (biology teacher, MASH) has agreed to go in my place. She will not need a substitute but will need to miss the teacher workday on June 11, 2018.

Sincerely,

  

Mrs. Lynn Maloney  
Ms. Grace Agnew
