

Homecoming 2023

As the end of September rolls around, all of the Cochran students get excited for what is arguably the best part of the fall season. This event is Homecoming. The whole week is full of festivities that get all the students hyped up for the football game and the dance.

The week before starts off with spirit days where students can dress up according to whatever the spirit theme is for that day. This year our spirit days were: Monday-groutfit (dress all in gray); Tuesday- frat boy day; Wednesday- country/USA day; Thursday-Barbie & Ken Day; Friday-Red & White.

The Homecoming court ceremony gets the merriment started before the game by crowning the Homecoming royalty. This year the homecoming representatives included: 7th grade- Justice Walker & Tessa Edwards; 8th grade - Tyler Lucas & Natalie Hickey; 9th grade -Parke Haskins & Meredith Erdley; 10th grade- Walker Carroll & Claire McCartney; 11th grade- Doran Hill & Fallyn Lantz; and 12th grade- Isaiah Long, Gage Aiken, Gavin Sekerski, Sydney Wright, Reagan Bohrer, and Brooklyn Needler. This year's prince and princess were: Parke Haskins & Meredith Erdley. This year's Homecoming King & Queen were Gavin Sekerski & Brooklyn Needler.

Following the ceremony, the game is held with a lot of cheering and hard work by the football team. This year the Homecoming opponent was Mercer and Cochran capped the night with a win 16-13.

Following the big game is the Homecoming dance on Saturday night. This year's theme was "A Starry Night". Girls got to don sparkly dresses and boys came out in shirt and ties and everyone danced the night away completing a tradition that has been in place for decades with (hopefully) many more decades to come!

YEARBOOK 23-24

Yearbooks are currently on sale. Pricing is \$60 if ordered by the end of October, \$65 from November until mid-December. Pricing increases to \$70 if you miss the December deadline. Students were also able to fundraise by selling Little Caesars kits to help offset the cost of a yearbook purchase. Seniors- don't forget to turn in senior photos and if parents want to put messages in the yearbook for the soon-to-be graduates, watch for those deadlines!

- 9th: No School (teacher in-service)
- 10th: ASVAB testing at CHS
- 11th:PSAT testing at CHS
- 27th: No School (teacher in-service)

Student Council News

As the school year comes into full swing, so do the activities of organizations like the student council. This year's officers are Kendall Rose, Marley Rodax, Macie Williams, Daniel Servey, Libby Boulton, and Nathan Heim. The main focus of the student council at the start of the year is homecoming, with the game on September 22nd and the dance on September 23rd. Ballots have been sent out for court, and information has been sent out to those who were chosen. The student council has also been working on planning the dance and the spirit days for the week before. The spirit days are "Groutfit," Frat Boy, Country Day, Barbie and Ken, and Red and White.

After homecoming, senior nights for fall sports are next on the schedule. Senior nights are October 10th for Girls' Volleyball and Cross Country and October 13th for Football, Marching Band, and Cheer. The liaisons, Libby Boulton and Nathan Heim, are writing reports on the happenings at CHS and giving them to the school board once a month.

Things are hectic, but lots of fun things are coming up and they are excited to get students involved! For more information, you can follow the student council on Instagram @cjsh_student_council.

Learning & Leadership

Leadership Symposium— The student council officers will attend a special leadership symposium on October 3. The day will offer them opportunities to learn more about how to be a good leader and how to provide positive leadership in our school.

World Language Competition— On Tuesday, October 10, CHS will have 18 students participating in the World Language Competition. Students will take two tests which will include questions on grammar, listening, and culture. We have students competing in Spanish and French 1, 2, and 3. Each school is permitted to enter 3 students per level. Awards will be given for first, second, and third place for each particular test. It is our first time attending this event and we look forward to finding out more.

STEM— This year's Stem Academy juniors and seniors will be participating in several new projects which will include some contests. Students are already scheduled for several learning experiences beyond the school and look forward for all of the additional learning experiences.

Open House

Open house at Cochran High School is always a good time. Parents get to meet the new teachers and they have the opportunity to learn and understand what their child or children will be learning in throughout that year. While visiting the school, there is the opportunity for parents to walk through their student's daily schedule, see where their student's locker is, and much more. While open house is typically scheduled within the first month of school, it also provides a bit of an opportunity for parents to check in on their student's progress and to make early contact with teachers. Unfortunately, there are always a lot of things going on in the evenings, so sometimes Open House isn't as well attended due to competing events.
