PTO

We encourage you to attend our Parent Teacher Organization (PTO) meeting on Wednesday, March 6 at 5:30 p.m. in the art room. We typically meet the second Wednesday of each month throughout the school year. There is no membership fee.

A major goal of PTO is to support the school by holding fundraisers that help to pay for things that the school’s limited budget does not. We fund field trips and other school events this way. One goal this school year is to raise funds for the renovation of the school playground. The PTO also helps support the school by mobilizing volunteers at various school events.

Your child and others are the beneficiaries of this support. We hope you will join us.
